Dear Folds:

I'm fine and in the best of health - wishing all "France" the same. Left the hospital yesterday and at the present time am stationed at a "Replacement Depot" - should be here a few days and then on my way back to the 65th will write again in a few days and let you know.

Played softball the last two days at the hospital - did okay - played shortstop and fielded very good - made one hit and beat out a bunt for another - also had a walk - so you can see that my hand is okay. Did some swimming - really had a nice pool - but the water was ice cold - water from a spring filled the pool. They also had a tennis court, but I couldn't find a pair of shoes to fit me - so I watched the nurses instead - really a lot of fun.

Had some wonderful sunny days last week - laid out in the sun - got a "tan" - but not as good as the one Toni Rae - she should be plenty dark by now - she's on a furlough to the "Riviera" should be back on the 19th I wrote to her today - so she should receive it by the time she gets back. Will try and get her on the phone.

Haven't much more to say for now - will write again in a few days - this is my second V-Mail - while sealing the last one - it tore on me - so I had to recopy this one. Wish - ing you a "Happy Birthday" on the 4th, and best wishes to all -

Loving Brother, "Don"
